

## TECHNICAL DIRECTOR JOB POSTING

### **Technical Director – Saskatchewan Artistic Swimming**

**Location:** Regina or remote within Saskatchewan

**Type:** Full-time, Permanent (35 hrs/week)

**Salary:** \$47,719-\$66,054 depending on experience; plus, health and pension benefits

### **Overview**

Saskatchewan Artistic Swimming is seeking a dynamic Technical Director (TD) to lead coach development, athlete development, and technical operations across the provinces. This role supports grassroots to high-performance pathways, oversees sanctioned competitions, and drives strategic outreach and club growth.

### **Key Responsibilities**

- Deliver NCCP and non-NCCP coach training, webinars, and conferences
- Lead athlete development camps and support high-performance initiatives
- Oversee technical aspects of competitions and liaise with judges and organizers
- Administer grants, track certifications, and contribute to board reporting
- Support club expansion, outreach clinics, and promotional efforts
- Collaborate on rulebook updates and national reviews

### **Qualifications**

- NCCP Competition Development certification (minimum)
- Proven artistic swimming coaching experience
- Strong technical knowledge of CAS and World Aquatics rules
- Excellent communication, organization, and leadership skills
- Ability to work independently and collaboratively
- Flexible schedule with availability for travel and weekend events

Join us in shaping the future of artistic swimming in Saskatchewan.

**Apply by October 29, 2025 to [ed@saskartisticswimming.ca](mailto:ed@saskartisticswimming.ca)**

We thank all applicants in advance for their interest. However, only those selected for an interview will be contacted. Interviews will take place via phone or web-conference (Teams or Zoom).
