**Be the superhero
we know you are!**

We need **Chief Scorers! This volunteer position is perhaps the coolest person at a meet. Why you ask? You get to watch the competition from the best seat in the house – front row!! You get to see all the talented athletes up close and personal without having to ask someone to save you a seat on a hard bench. Also? You don't have to know what an Ariana or even what a Barracuda is. Your job is entering the scores in the scoring program and looking good on the pool deck. No problem at all, right? No previous artistic swimming experience necessary. Some computer skills would be great! Training is provided. The icing on this Chief Scorer cake?? You get a shirt!**

Want to wear a cool shirt? Then maybe an **Assistant Ref might be more your speed. You get to work with our athletes!**

You even get to wear a whistle and help run and manage a competition. Do you have to be female? No. Do you need to know a little about what is happening? Why, yes! But we all know our SAS volunteers are highly intelligent women and men. You will train with the best volunteers. 😊 Did I mention you get a shirt? Sounds fun, right?

Note cool red shirt!

Want to have the coolest facial expressions at a competition? 😏 Maybe **judging is for you! Do you have to be female? No! Do you get to wear a really awesome shirt? Yes! Do you get to eat food and be part of a great group of dedicated volunteers? Yes and yes! You will train as a judge alongside experienced judges who will help you learn the ropes. Judges are the rock stars of any competition. Also, you get to flip numbers like a boss! Who wouldn't want to do this!?**

The logo for Saskatchewan Artistic Swimming is centered in a white rectangular box. It features the word "SASKATCHEWAN" in a bold, dark blue, sans-serif font, with a small red maple leaf icon to its right. Below this, the words "ARTISTIC" and "SWIMMING" are stacked in a lighter blue, sans-serif font. The word "ARTISTIC" is partially obscured by a stylized graphic of a swimmer's arms and legs in motion, also in a light blue color.
