7 SELECTION TO THE CANADA ARTISTIC SWIMMING QUALIFIER

7.1 Eligibility

To be eligible to attend the Qualifier, the athlete **MUST** compete at Sandra Roberts Provincial Championship. The Selection Committee shall authorize all routines to attend the Qualifier.

7.2 Composition

- A Selection Committee is named before the Sandra Roberts Provincial Championship. Members must not have a Conflict of Interest.
- The Selection Committee shall be composed of the Chief Referee, a National Level Judge at the competition and one member from each club with athletes planning to attend qualifier. The members can vary for different categories.

7.3 Quotas

Canada Artistic Swimming quotas shall apply to routines. See CAS 6.3 for current quotas. CAS confirms quotas annually.

7.3.1 Exception to Canada Artistic Swimming Quota

- The Selection Committee may choose to deny a routine authorization to the Qualifier if they felt the score is below average or if the routine would negatively represent Saskatchewan, even though the quota may not be filled.
- This is up to the discretion of the Selection Committee.
- In the event of a concern or dispute, the Selection Committee's decision is final.

7.4 Substitutes

Substitutes may be selected to compete if the originally selected routines are unable to participate. The substitute shall be the next ranking routine by score.

7.5 Exceptional Circumstances

- The Selection Committee may, upon request of the Club Coach, qualify competitors who are unable to swim in Sandra Roberts Provincial Championship events due to exceptional circumstances (such as, but not limited to: injury, illness, school exams) beyond the control of the swimmers.
- A competitor who is qualified under exceptional circumstances for a bye shall be added to the quota. To be eligible for a bye, a routine must be entered in the competition and must pay all applicable fees. Byes cannot be considered after the fact.

8.1 Eligibility

- Age Groups: 10U, 12U, Novice, Youth, Junior, Masters, and AdAS are eligible to attend CPC.

Exhibition swimmers are not permitted at CPC.

Exception to 8.2. Junior athletes must swim Youth figures as exhibition if they are on a Youth team.

8.3 Team Size

Team size requirements follow CAS with a minimum of four athletes.

- Saskatchewan teams with three athletes compete in the Trio event at CPC.
- Athletes must choose to swim in either the Team event or Trio (not both).

8.4 Coaching Certification Level

The minimum coaching certification for CPC is the standard set in each province and the host province will send a list of coaches to the provincial offices for confirmation that the coaches are certified to attend.

Saskatchewan coaches must be certified at the Competition Introduction level. Notwithstanding the above, a coach who is AquaGO! trained or certified has two seasons to become Comp Intro trained and one additional year to receive their full Comp Intro certification. If they do not, they will no longer have access to the pool deck at competitions
